Address

5717 Hickory Dr
Lewis Center, OH 43035

SKILLS

Interpersonal

Eager to learn
Adaptable with workflow
Open to criticism
Team player
Spanish (conversational)

Design

Ideation + sketching
Research + benchmarking
Graphic layouts
User experience analysis
Prototyping

Technical

Photoshop, Illustrator, InDesign
Fusion360
Keyshot
Gravity Sketch
Microsoft Office
Figma
Photography

EDUCATION

University of Cincinnati

BS in Industrial Design
School of DAAP
2017 - 2022

EXPERIENCE

- **Thule Group** 2021 - Longmont, CO
Soft-goods design, iterative sketching, collaborated with sample maker, rapid brainstorming, creating spec packs for the manufacturing of samples, making redlines and working with developers.
- **Blackstone Products** 2021 - Logan, UT
Accessory design, aesthetic sketching, cardboard mockups, 3d printed form prototypes, fit and feel testing, CAD modeling, product renderings, idea proposals.
- **Insync Design** 2020 - Wayne, NJ
Concept sketching, CAD modeling parts for manufacturing, redefining product aesthetics, opportunity space proposal to client, product rendering for invention pitch.
- **Bissell Homecare** 2019 - Grand Rapids, MI
Lead concept development for a pet product category expansion, competitive benchmarking, analyzed consumer reviews, broad ideation, foam core mockups, CAD modeling, milled volume studies, 2D rendering, updating team on project status and implementing feedback.
